Seeking a serious professional kitchen opportunity

Dear Hiring Manager,

I am writing to express my interest in joining your kitchen team. I am a professional cook with hands-on experience in quality-focused restaurants, brunch operations, premium hospitality, and high-volume hotel service.

My background includes work in Spain across chef Lucía Freitas's projects, brunch-focused production, and live buffet stations serving large numbers of guests each day. These environments strengthened my discipline, mise en place, station organization, and ability to maintain consistent execution under pressure.

I would bring a strong respect for kitchen standards, calm teamwork, and a guest-focused mindset. I am comfortable supporting prep, line service, buffet execution, and fast-paced daily operations while protecting quality and cleanliness.

At this stage of my career, I am seeking the opportunity to continue growing in a serious professional kitchen where I can contribute, learn quickly, and adapt to the standards of a strong culinary team. Thank you for your time and consideration. I would welcome the opportunity to speak with you.

Sincerely,
Andres Tirano
