Application to join your kitchen team

Dear Hiring Team,

I am writing to express my interest in joining your team. I am a professional cook with experience in quality-focused restaurants, premium hospitality, brunch production, and high-volume hotel service.

My background in Spain includes projects led by chef Lucía Freitas, restaurant service, and live showcooking stations serving around 1,200 guests daily. These kitchens strengthened my mise en place discipline, station organization, and ability to execute consistently under pressure.

I work with respect for the product, attention to detail, and a calm approach during service. I adapt quickly to each kitchen's standards and understand that the final result depends as much on individual technique as it does on team rhythm and trust.

I am looking for an opportunity where I can contribute that experience, keep learning, and grow within a demanding team. I am available for relocation and would welcome a conversation about how I could contribute to your kitchen.

Thank you for your time and consideration.

Sincerely,

Andrés Tirano
Professional Cook
