

ANDRÉS TIRANO

PROFESSIONAL COOK

*Precision before service.
Calm during the pass.*

EXPERIENCE

CURRENT

Balneario de Panticosa

Cook · August 2026 - present · Huesca, Spain

Responsible for the hot section in a high-volume buffet: daily planning and production for several hundred guests, simultaneous preparation management, regeneration, and continuous replenishment. Coordinates with the team, applies food-safety procedures, and adapts service to menu and product availability.

2025

Only YOU Hotel Málaga

Chef de Partie · Málaga, Spain

Experience in the culinary environment of a five-star hotel, working with premium hospitality standards, coordinated service, and guest-focused execution.

2024

Hotel Gran Cervantes

Showcooking buffet cook · Torremolinos, Spain

Covered grill, wok, and crepe stations while serving around 1,200 guests daily, maintaining speed, consistency, and direct guest interaction.

ANDRÉS TIRANO

PROFILE

Currently working in a demanding high-volume operation, independently managing hot-section production while prioritizing timing, quality, and uninterrupted service.

CORE STRENGTHS

- Hot-section production and organization
- Showcooking and guest-facing service
- High-volume hotel execution
- Buffet regeneration and continuous replenishment
- Team coordination under pressure

PROFESSIONAL JOURNEY

2022

La Deriva

Chef de Partie · Málaga, Spain

Strengthened mise en place discipline, service rhythm, and daily kitchen coordination in a fast-moving restaurant environment.

2022

The Club

Brunch cook · Málaga, Spain

Brunch assembly and service, with support in purchasing, inventory, menu development, and pre-service preparation.

2021

LUME

Line cook · Santiago de Compostela, Spain

Direct-to-guest concept blending Japanese techniques with Mexican flavors, requiring accuracy and respect for the product.

2021

A Tafona

Prep cook · Santiago de Compostela, Spain

Worked under chef Lucía Freitas in a quality-focused kitchen where precise preparation and attention to detail sustained the daily standard.

EDUCATION

Technical Program in Kitchen Assistance

Escuela de Gastronomía de Medellín (EGM)

Culinary techniques, food handling, safety, and menu preparation.

Basic Molecular Cuisine Course

Escuela MCS Colombia

Spherification, textures, smoking, plating, and liquid nitrogen techniques.

*Demanding standards until the end.
Pride after the final plate.*
